

POC/5 - "Big Switch" plan  
for exploitation of exchange oppri-  
soners - cleared by State and  
sent to Defense. Guidance on  
same subject also prepared.

SK16 - In addition to usual  
material in daily cable to FECOM  
concentrated on world <sup>press</sup> reaction to  
Rheesack and coverage of Robertson  
sheet talks.

No Pocc meetings.

POC/5 - The use of technical  
journals which are sent by  
the hundreds to USSR and Satel-  
lites. Decided this was covert  
matter. [REDACTED] Pyomedia felt  
material brought to him was of  
great value and is working on  
project.
